Forecast for Friday 23 Jul 2021

Weather: Dry overnight, perhaps some mist forming in valleys. Apart from a little cloud it will be a sunny and warm day. There is the chance of an isolated heavy shower in the afternoon.

Chance of cloud free mountain/hill tops above 800m: 95%, perhaps some patchy low cloud in the morning and evening especially for eastern fells.

Visibility: Generally good or very good but around dawn there may be patchy low cloud from 600ft for more eastern fells. This will clear readily during the morning but may reform during the evening. Otherwise it may be hazy at times.
